23 JAN 1940

Dear Sirs I learn that  
my Parents have to leave  
the old rectory cottage, is  
their no chance of them  
renting it for a time. It's  
impossible for them to get  
another house, as they are  
all occupied by the military.  
as I no doubt you already  
know they have rented the  
said cottage since 1923.

I think it's very unfortunate  
that a thing like this should  
happen, at such a critical  
time as it is today. As I  
am their son, and am now  
serving in His Majesty's  
Forces, I ask you to kindly  
consider this letter, and  
make things a little less  
difficult for them. After all,  
I am helping to protect this  
Country, and why should  
my mother and father be  
turned out into the cold,  
they have borne no one.  
Now I ask you once again
