

TIGHT K E-BULLETIN

May 2022, Issue 05

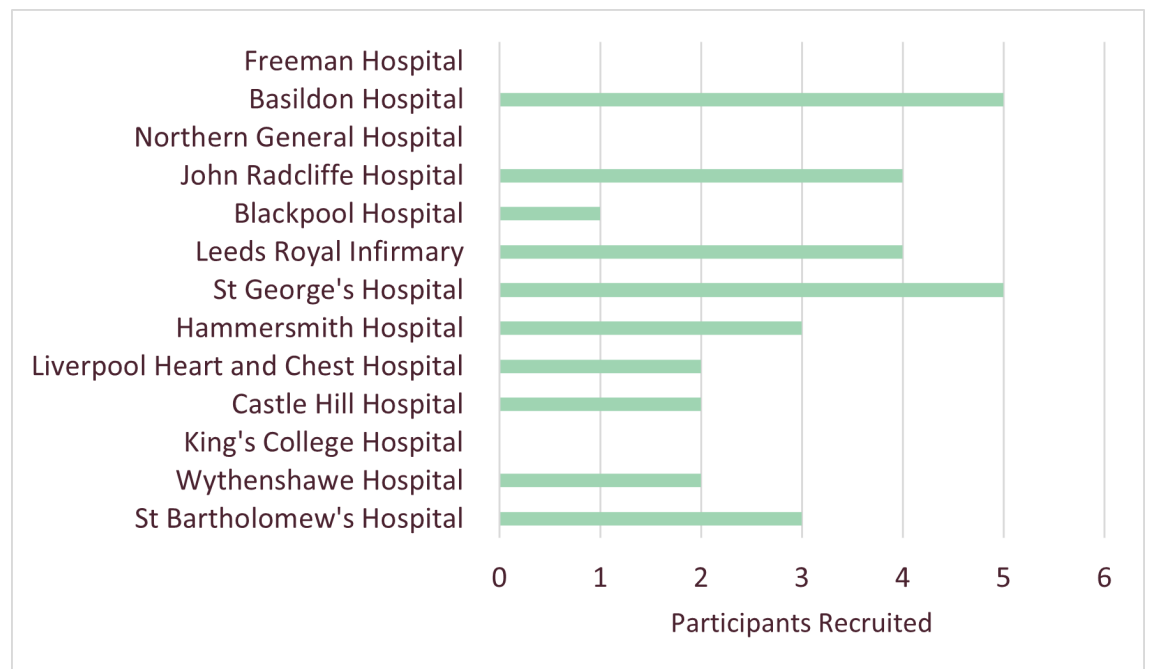

We would like to say an extra special **thank you** for your hard work over the past few months. We are starting to see some positive signs that we are regaining momentum, and that recruitment numbers are recovering.

We know there continue to be barriers to recruitment and the trial team are in the process of arranging meetings with sites to give us a better understanding of some of the challenges you are facing and how you are working to overcome these issues.

APRIL RECRUITMENT - 31 PARTICIPANTS

Welcome to the team at **Basildon Hospital**. We now have **13 sites** on board.

Distribution of participants recruited across sites in April 2022

We are 53 participants away from the 25% milestone and there is a **prize** for the site that recruits the 421st participant!
