**30% RECRUITED!**

## TRIAL MILESTONE

We have reached the 30% recruitment mark! Once again, we thank you for all your hard work and support. We can't wait to reach the next milestone!

## JUNE RECRUITMENT

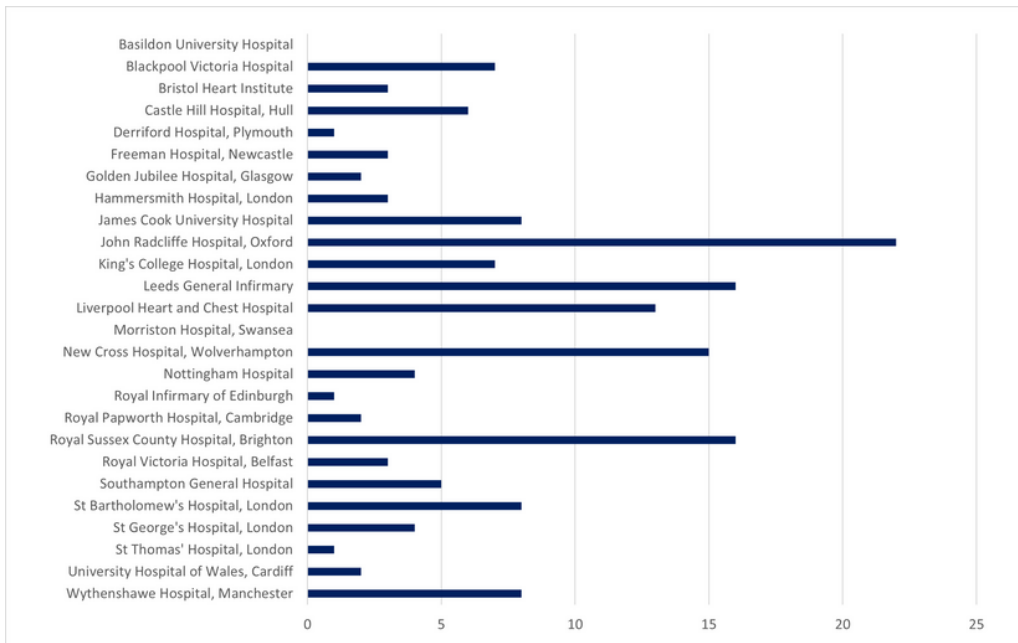

Chart above shows the number of participants recruited per site in June.

## BEST RECRUITMENT MONTH

A special shout out to **Blackpool Victoria Hospital**, **St George's Hospital**, **James Cook University Hospital** and **Wythenshawe Hospital** who have had their best recruitment month so far! Fantastic work!

## NURSES MEETING

Thank you to all who have confirmed their attendance to the BHF PROTECT-TAVI nurses meeting on **Thursday 7th July**, in London. Although there will not be the opportunity to join this meeting remotely, we are planning to hold a virtual meeting in the summer, for those who are unable to attend.

We look forward to meeting you!

## SCREENING LOGS

Please remember to send in your screening logs at the beginning of each month. Please ensure all figures in the tables are completed before sending.

This month we are launching a new competition! As we are fast approaching our **2500th** participant milestone, we want to award a **PRIZE** to the site which recruits this participant!
