**25% RECRUITED!**

## TRIAL MILESTONE

We have reached the **25%** recruitment mark! This incredible achievement would not have been possible without the hardwork and dedication of all our sites. Thank you.

## ACI MEETING CANCELLED

Unfortunately the investigator meeting at BCIS ACI on **Wednesday 20th April 2022** is cancelled. We have decided instead to hold a larger investigator meeting, on a date which more people can attend, later in the year. We apologise for any inconvenience.

## NIHR ASSOCIATE PI SCHEME

The trial is registered with the NIHR Associate PI Scheme. The Scheme is a six month in-work training opportunity, providing practical experience for healthcare professionals starting their research career.
