

RECRUITMENT MILESTONE

BHF PROTECT-TAVI has reached the 70% recruitment mark! We are so grateful for your continued efforts to keep recruitment the success it is – THANK YOU.

Our third nurses meeting was held earlier this month, which was attended by 45 people from 23 participating sites. It was fantastic to see you all in person and thank you for an interesting and thought-provoking day. For those who were unable to attend, we will be sending a short summary of the key points discussed and your ‘top tips’ for the trial!

Now we are at the 70% recruitment mark, preparation is underway for our second interim analysis meeting which will be held early next year.

PREPARATION FOR THE SECOND INTERIM ANALYSIS

We have sent you a list of the key eCRF forms we need completed for all patients randomised before 08:47 on 14 November 2023:

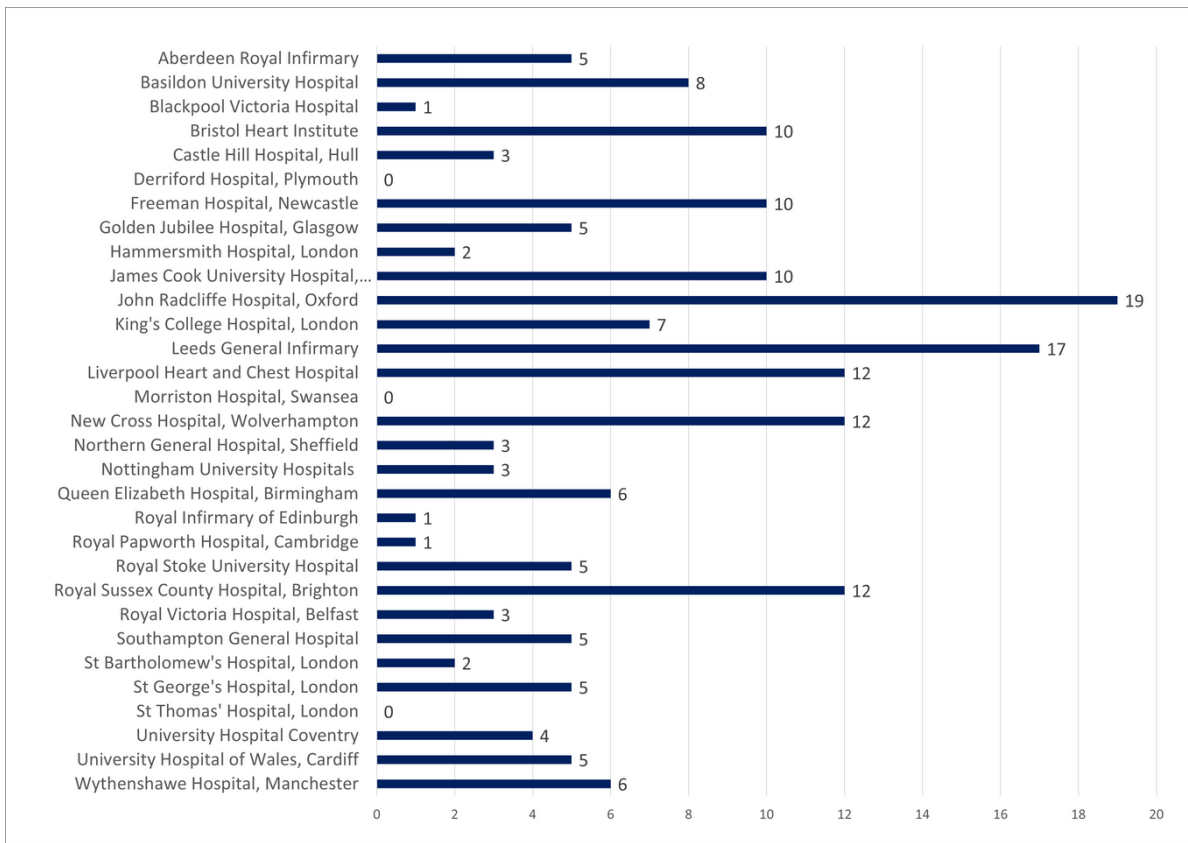

Please enter the key forms by 20th December 2023

STROKES

Any neurological event that might meet the primary endpoint must be adjudicated by the independent event validation committee. Please ensure you complete a stroke form and upload supporting documentation and imaging as soon as possible.

OCTOBER RECRUITMENT - 182 PARTICIPANTS RECRUITED

Number of participants recruited in October 2023 at each site
