

September 2024

Dear DrPH Student,

Welcome to LSHTM! We are looking forward to meeting you and getting to hear about your plans as you begin your research degree journey with us.

We look forward to welcoming you in person or on-line at the orientation event on Tuesday 24 September from 11am to 3pm UK time. If you're in London, you will also be able to register and complete the required in-person identity check and collect your student ID pass. If you are not travelling to London for orientation, you will be contacted directly regarding your plans to complete the in-person identity check, which is a requirement for all students. If you are joining online, we will endeavour to introduce you virtually to your DrPH and PhD candidate peers and to current research degree students, and to support continued interaction among students and the wider LSHTM community.

When you begin your studies, please liaise with your supervisory team and your Faculty Research Degree Manager to discuss your building access requirements. All research degree students are able to book desk space via the Faculty booking systems.

We look forward to welcoming you to LSHTM and helping to make your doctoral studies as enjoyable and productive as possible.

With best wishes,
