

2025-26 Scholarship Application Guidance

After applying for your programme and paying your application fee, you will receive an email from the Scholarships Team (scholarships@lshtm.ac.uk). The email will contain a link, username and temporary password to access the LSHTM Scholarship Portal (e-vision). You can use these details to apply for scholarships which you may be eligible for this academic year.

Eligibility for scholarships:

1. Apply for a 2025-26 MSc programme of study or Research Degree as per instructions under the 'How to Apply' tab on the relevant programme of study page on our website.
2. Applicants must meet all eligibility criteria and complete their application by the scholarship deadline shown on the advert page for each scholarship they are interested in applying for:

Research Degree funding adverts: [Research degree funding and scholarships | Fees and funding | LSHTM](#)

How to apply:

1. Click the link in the email we have sent to the account you listed on your LSHTM application. On this webpage, enter your username and temporary password from the email. Next, change your password when prompted to do so.
2. Please search for the scholarship you wish to apply for, and then answer all the questions online.

To do this, click on the magnifying glass search button labelled 'Search for available scholarships':

- The next page will be auto-populated with details from the programme you have applied for, so you will only see scholarships that you meet the eligibility criteria for:
