

FINISH

PATIENTS RECRUITED

300

CHIP BCIS3

Issue no.22 December 2024

Thank You!

As we approach the end of 2024, we're thrilled to celebrate the incredible milestone of completing recruitment. This achievement is a testament to your hard work and commitment to the trial since we recruited our first participant in August 2021. We feel so fortunate to collaborate with such a dedicated network of 21 fantastic trial sites across the UK. Each of you has played a vital role in reaching our target of 300 participants, and we cannot thank you enough for making this possible!

Thank you for being an essential part of CHIP-BCIS3.

The team at **Royal Bournemouth Hospital** with their prize hamper - fantastic work!

Prizes

Recruitment may be complete, but the celebrations aren't over yet. We're continuing to send out recruitment countdown prizes, so keep an eye on what Father Christmas might bring to your site! We would also love to see a team photo with your prizes.

Whats next?

It's an exciting time for CHIP-BCIS3 as we move into the next stages of the trial! As recruitment is now complete, our focus will shift to gathering high-quality and complete follow-up data. We will be in touch in the new year with more details on the follow-up plans. Thank you for your continued support.

WELL DONE!

Christmas Closure

WE ARE CLOSED

The LSHTM CTU will be closed from Monday 23rd December 2024 to Wednesday 1st January 2025 (inclusive).

We wish everyone a very festive and restful break to welcome the new year.

CONTACT US

If you have any questions please don't hesitate to contact the CTU team - Matt Kwok, Megan Knight, Laura Van Dyck and Richard Evans.
